LUXURY STEEL-LOOK INTERIOR DOORS

It's The Inside That Counts

Every door in the Aluco collection is designed and handcrafted by our skilled craftsmen. Our ethos is one of the exceptional design and product performance, created to compliment the home and lifestyle of our customers. We believe in producing architectural solutions that will delight customers now, and for the years to come.

Our online shop will allow you to pick the right door for your project, with a choice of different glass designs within the one door and a choice of handle configurations.

INTERIOR DOORS, SCREENS AND PARTITIONS RANGE

The Aluco steel look interior system is a unique bespoke design, created to give you a traditional steel look style of doors, screens and partitions. Delivering classic industrial finish products with slim sightlines, to provide maximum natural light whilst delivering stylish design and practical design choice for any room or lifestyle.

Our interior doors and screens will enhance any home, with classic details like handle back plates, bottom kick plates, slim horizontal and vertical glazing bars, rose back plate handles as well as the bespoke Floating Lock. All these go to provide you with the iconic industrial finish, available as single and double glazed options.

INTERIOR STEEL LOOK SINGLE DOORS

With classic details like handle back plates, bottom kick plates, slim horizontal and vertical glazing bars, rose back plate handles as well as the bespoke Floating Lock.

INTERIOR STEEL LOOK DOUBLE DOORS

Interior double doors have the same features as the single door. The door meeting stile is a one-piece design for added strength and is provided with a range of finger-bolts available in a range of lengths for easier operation and reach.

INTERIOR STEEL LOOK SLIDING & POCKET DOORS

Offering a classic industrial finish with wide lock body, deep bottom rail and slim transom bars, the classic art deco steel look finish. Providing an alternative design choice to any room.

INTERIOR STEEL LOOK SCREENS & PARTITIONS

Aluco interior screens and partitions use the same core components as the doors but are manufactured with slim 33mm outer-frame, uses the standard 37mm transoms and is also available with ultra-slim 20mm Astragal bars which can accommodate various style choice. Clear and obscure glass designs are also available.
